LinkedIn: [Mohammad Akram](#)

---

Aspiring Electronics and Communication Engineering (ECE) student with a strong **interest in** learning and applying skills in electronic circuit design and analysis. Currently developing proficiency in software tools and eager to explore new technologies. Ready to contribute and grow in the field of ECE through hands-on experience and continuous learning.

## Professional Experience

---

**GITAM Quiz Club**, Bengaluru, Karnataka, India

September 2023 – Present Documentation lead

- As the Documentation Lead for the Quiz Club, I was responsible for crafting event proposals and compiling detailed reports on campus events and meetings. This role highlighted my attentiveness during meetings and events, demonstrating my ability to capture and document key information effectively.

**IEEE Student Chapter GITAM Bengaluru**, Bengaluru, Karnataka, India

March 2023 – Present member

- Actively participated in team meetings and provided valuable insights and suggestions

**National Service Scheme**, Bengaluru, Karnataka, India

September 2021 – Present Volunteer

- During my tenure as a volunteer in the National Service Scheme, I actively participated in numerous camps, fostering relationships with diverse individuals and honing my communication prowess. Engaging in various activities, I effectively enhanced my decision-making abilities and refined my communication skills, contributing positively to team dynamics and achieving organizational objectives.

## **Projects/Certifications**
